

2011 Implementers Meeting

Implementers Meeting 2011

October 11-14, 2011
Hotel Chez Lando
Kigali, Rwanda

Event Sponsors

Contact [Dawn Seymour](#) for additional sponsorship opportunities.

About the event

The annual Implementers Meeting began in 2006 as a way to bring members of the community together during a dedicated amount of time to collaborate, share implementation experiences, and find ways to improve OpenMRS.

Who should attend

- People new to OpenMRS who want to connect to others using the platform around the world
- Experienced OpenMRS implementers who want to share their experiences and learn from others
- OpenMRS platform developers - anyone building systems to integrate with or extend OpenMRS
- Developers of related health and healthcare application software
- You!

Why you should attend

This meeting provides an opportunity for developers to collaborate and improve their technical skills in OpenMRS, implementers to share their best practices from implementations, and users to propose and prioritize their top features in future releases of the software.

Different from the previous meetings, the 2011 Implementers Meeting will also include visits to OpenMRS implementation sites along with a discussion afterward for participants to share their experience and suggestions.

This year's meeting will provide an opportunity to visit to an OpenMRS implementation site. Seats are limited, so please indicate on your registration form if you are interested in participating.

Propose session ideas

It's an unconference, but that doesn't mean you can't start thinking about ideas today. Do you want to lead a session? Do you have an idea for what you'd like to see, even if you can't lead the session? You should add your proposals to our [ideas page here](#).

- See the main meeting schedule page for details about session times.

Registration closes October 1

You should complete the online form today to register for the event.

Registration is now available

You should complete the online form here to register for the event.

We've received your registration!

Thanks for signing up to attend. In case of any questions with your registration, someone will contact you using the information provided. If you need to update us, please contact the events team. Be sure to propose session topics on the ideas page!

Cost, travel, accommodation

Registration type	Dates	Cost
Early bird registration	Before September 12	USD \$300
Regular registration fee	September 12–30	USD \$350
Late registration fee	At Conference Site	USD \$400

Registration is now closed

Thank you for your interest. We look forward to seeing you in Rwanda! Late on-site registration will be available at the start of the conference. Meals are included in the registration fee.

Hotel accommodation

We recommend staying at the conference venue, [Hotel Chez Lando](#). Overflow accommodation is also available at [Beauséjour Hotel](#), which is a short (5-minute) walk from the conference site. Both hotels are located near Kigali International Airport, and shuttle service is available to and from each hotel. You may book any of the options below on the registration form.

	Private Room	Shared Room
Hotel Chez Lando	USD \$100	USD \$65
Beauséjour Hotel	USD \$90	USD \$60

You will be contacted by the registration team to arrange payment for registration and hotel fees after your completed registration form is received.

Travel

If traveling by air, you will fly to [Kigali International Airport \(KGL\)](#). You are responsible for arranging your own travel. We have obtained a group discount if you book your flights through Air France or KLM. You should use [this link](#) and enter Event ID 13981AF to book your travel using this discount.

Please indicate on your registration form if you need a formal invitation letter (e.g., to facilitate with travel visas).

Ground transportation between the airport and your hotel will be provided by each hotel. Please contact them for details.
