- Daylight Saving Time

## Discussion items

Item	Who	Notes
<a href="#">Reference Application 2.3</a>	<a href="#">Tharunya Pati</a>	<ul style="list-style-type: none"><li>• test module will be released today</li><li>• Wyclif believes the 2.3 release will happen today</li></ul>
Platform 1.12	<a href="#">Shruthi Dipali</a>	<ul style="list-style-type: none"><li>• Darius, Burke, Shruthi and Sathyan are trying to schedule a time to talk/Q&amp;A about the release.</li></ul>
Platform 2.0	<a href="#">Mayank Sharma</a>	<ul style="list-style-type: none"><li>• managed to get 8 devs working on issues fo the Legacy UI module</li><li>• Daniel will provide support this week since Wyclif will be at OMRS Camp</li><li>• Will try to get tickets done this week but with OMRS Camp it may need to push into next week</li><li>• Mayank wants to get more devs on this, has been posting on Talk but not getting a lot of feedback.</li><li>• Mayank believes that there is a lack of communication to devs on what they can work on, a place to post items</li><li>• make a post everyday on talk and twitter on what can be worked on</li><li>• testing on Legacy UI is set for next week</li><li>• alpha release is still set for mid-November</li><li>• remove deprecated methods - 90% done daniel did merge and wyclif reviewed - Daniel finishing up this week</li></ul>
AOB		<ul style="list-style-type: none"><li>• daylight saving time<ul style="list-style-type: none"><li>• Wyclif, Daniel and Mayank are available 10-1pm ET</li><li>• believe the PM call being an hour earlier would interfere with 10am scrum</li></ul></li><li>• Mayank would like feedback on Platform 2.0 FAQ and/or Guide for Module Developers - <a href="https://talk.openmrs.org/t/platform-2-0-faqs-guide-for-module-developers/3415/2">https://talk.openmrs.org/t/platform-2-0-faqs-guide-for-module-developers/3415/2</a></li><li>• Mayank would like to talk about DCI on next weeks call.</li></ul>

## Action items

- [Daniel Kayiwa](#) will provide support foe the Legacy UI module issues this week while Wyclif is at OpenMRS Camp
- Mayank Sharma will post on Talk (globally pin) and Twitter a "CALL TO ACTION" for more developer assistance on the Legacy UI issues - <https://issues.openmrs.org/secure/RapidBoard.jspa?rapidView=83>
