

# 2008-05-29 Developers Conference Call

<html><head><title></title></head><body>h1. Date

29 May 2008

## In Attendance

- Ben Wolfe
- Brian McKown
- Burke Mamlin
- Paul Biondich
- Justin Miranda
- Mike Seaton
- Darius Jazayeri

## Agenda

- Prioritizing notes functionality — i.e., should Shahid/Andreas be realizing the original notes functionality (threaded conversation about observations) or adding rich text observations to OpenMRS?

## Minutes
