

# OpenMRS Holidays

Per convention, the OpenMRS community generally does not conduct meetings or events on [federal holidays recognized in the United States](#). For your convenience, a list of those holidays and their observed dates are listed below. When a holiday falls on a weekend, it is often observed on the Monday or Friday nearest to its date.

We also recommend checking <https://www.timeanddate.com/holidays/> for a list of known international holidays (ordered by date) when scheduling an event.

When in doubt, please ask your meeting organizer.
