

Implementers: How to get support

Are you an implementer with questions? Have you hit a roadblock and need some support? Have you found gaps in crucial documentation? Try these avenues:

Start a topic on [OpenMRS Talk](#)

The OpenMRS community is active and eager to help! After you log in to [OpenMRS Talk](#) with your [OpenMRS ID](#), you can search the topics for community members with a similar question. If you do not find the answers you are looking for, join the conversation by creating a new topic. Tip: Help the community help you by including as much detail (links, screen shots, etc.) as possible.

Email the [Implementer's Mailing List](#)

Reach out to other OpenMRS Implementers by emailing the [Implementer's Mailing List](#).

Post a comment on the wiki page

If you are looking for more detailed documentation, post a comment on the wiki page. Using @ allows you to tag the original author or the most recent contributor. This may particularly useful to those needing more information about a [module](#).
