

Events (OpenMRS Calendar)

About this calendar

This is a community-managed calendar. Please add any OpenMRS-related events, including training events, related conferences or meetings, or other dates of interest to the OpenMRS community, to this calendar.

How to subscribe to this calendar

- Use the [iCal](https://om.rs/ical) format to add to your calendar with this link: <https://om.rs/ical>
- If you are using an @openmrs.org account, you can search for "OpenMRS Calendar" in your calendar.

How to add events to this calendar

- If you have an @openmrs.org account, you may be able to add events using that account at calendar.google.com.
- If you do not have access to add or update an event on the calendar, please ask for help on [IRC](#) or send an email to community@openmrs.org with details about the event or needed changes, asking for it to be added or updated on the OpenMRS Calendar. We're happy to give access to anyone who needs to routinely add or update events on the community calendar.
