- >

Agenda

- Quickly review [previous meeting minutes](#) (5 min)
- Introduction of new people (20 min)
- [Messaging Module](#) project update & demo (30 min)
 - Demonstrate general fuctions - add address, send message, manage services
 - Talk about general workflow, plans for future
 - Introduce [INSTEDD](#) team, talk about [nuntium](#)
 - Questions
- [Google Summer of Code](#) Update (30 min, 2nd & 4th Thursdays of each month)
- Naming the next release manager (30 min)
- Decide on date for review of reporting module on this call
 - Also need to know what it will take to get reporting to a stable place
- When is a bundled module included – i.e., what is the convention for considering the module "stable"? Does it require 1.0?
- After-action review & [next week's agenda](#) (5 min)

Minutes

Messaging Module project update

- <http://connect.openmrs.org>

Google Summer of Code update

- Mentor meeting next Monday at 3:00 PM Eastern Time to discuss applications and logistics.
- New proposals will be reviewed during this time.

1.7 release manager

- http://openmrs.org/wiki/Release_Process#Being_the_Release_Manager
- We will have assistant release managers (e.g. apprentice or shadow) so other people in the community can learn what's involved.
- Those interested in being release manager or an assistant should contact Ben.
- Next week, we will discuss who is interested and name the release manager and assistant(s).

Misc.

- Justin and Mike will get together and decide when to present the reporting module in a future meeting.
