Agenda

HISP India: Training Updates (10 min)

- Advanced regional training is needed
- Solutions:
 - Find out specifically what training the group needs
 - Possible virtual training
 - Focus on building the most critical elements that will contribute to the entire system
- ACTION ITEM: Hamish will speak with Sundeeep to find out the needs of the group

"Bug Fixing Sprint": Methods and Resources to Fix Bugs in Existing Releases (15 min)

- Previously discussed ideas:
 - Create JIRA dashboards to highlight highest-voted bugs that affect our existing releases
 - Set aside time for a two-week block to have core development work on the bug fixes instead of focusing on new features
 - Volunteer support
 - Future QA/QC team
- Solutions:
 - Create a list of the bugs for people to vote on in terms of priority
 - Have a list of core developers who will work on the bug fixes instead of features

Board Nominations and Elections (15 min)
