

# Developer Resources

## Online Resources

- This wiki – this website is a living document. If you find obvious mistakes or omissions, we welcome you to help by adding or editing wiki content. If you don't feel confident about editing the page, you may also leave a comment at the bottom of any page.
- The developers [mailing list](#) (speak with the developer community over e-mail)
- The [weekly developer meeting](#) (a weekly phone call on OpenMRS developer topics)
- The OpenMRS [IRC channel](#) (live chat with other developers)

## Additional Resources

- [Check Digit Algorithm](#)
- [OpenMRS Debian Appliance](#)
