## Action items

- All will have conversation about [James Arbaugh's](#) observation during UAT testing to get a strategy for handling it  
 [RA-931](#) - Need way for admin to change a user's password IN DEVELOPMENT
- Burke Mamlin will check in with Tharunya Pati to see if she needs any help getting the release out this week.
- Mayank Sharma will make a Talk post around moving 2.0 forward to coordinate.
- [Mayank Sharma](#) will make sure we are taking a look at legacy documentation to update language around platform vs. reference application where necessary. May be good to talk w/ [Michael Downey](#).
