Welcome to the OpenMRS Wiki

The OpenMRS Wiki is a community-maintained collection of documentation about our software and about our community.

OpenMRS volunteers work hard to share knowledge and maintain this information, and we encourage you to help by fixing errors, updating knowledge, and adding comments or questions to pages.

If you're new to OpenMRS, read [Introduction to OpenMRS](#) for background about what we're doing, and visit openmrs.org/help to get involved.

OpenMRS Talk: Community Discussion

Visit **OpenMRS Talk** at <https://talk.openmrs.org/> for our discussion platform and a place where you can hang out and talk about OpenMRS with other community members. Talk is an online home for OpenMRS users, implementers, and contributors to learn from each other, share experiences ... or just to make and build friendships.
