The time change reflects the change in Daylight Saving Time

OpenMRS University

- Teaching the community how to get started with OpenMRS development & implementation
- How to work effectively in an open source community
- Tutorials on how to use OpenMRS
- Open Office Hours – time for anyone to speak with experienced developers

When? Time is available every Wednesday, excluding holidays, from 9:00am-10:00am US/Eastern, regardless of whether standard or daylight saving time is being observed. University Calls are arranged when/if there is a topic or desired group of people wanting to use the space.

Who? Anyone can join!

For more information on how to join this meeting visit [OpenMRS University](#)

Design Forum

- Technical discussions on high priority development topics
- In-depth system design decisions
- Review of tickets or projects that need some design input before proceeding

When? Every Monday 4:00pm-5:00pm UTC & Wednesday from 2:00pm-3:00pm US/Eastern (excluding holidays, regardless of whether standard or daylight saving time is being observed).

Who? Anyone can join!

For more information on how to join this meeting visit [Design Forum](#)

Project Management Meeting

- Ensure that weekly work activities are on schedule
- Discuss any project blockers
- Provide project status updates
- Discuss collaborations with other organizations

When? Every Monday, excluding holidays, from 10:00am-11:00am ET, regardless of whether standard or daylight saving time is being observed

Who? Anyone can join. Members of the OpenMRS community who serve in a leadership capacity, are overseeing projects or releases, or who want to help the community anticipate issues and maintain its momentum by donating their time & effort usually attend.

For more information on how to join, visit [Project Management Meeting](#)

OpenMRS Strategy and Operations

- The OpenMRS Community comes together and discuss the progress of the organization and current events in the global, open source community

When? Every Thursday, excluding holidays, from 12:00pm-1:00pm EST, regardless of whether standard or daylight saving time is being observed

Who? Anyone is welcome. Members in the OpenMRS community who serve in a leadership capacity and dedicate a significant amount of their time in service of other members in the OpenMRS community usually attend.

For more information on how to join, visit [Strategy and Operations Conference Call](#)

Implementers' Conference Planning Meeting

- Weekly planning meeting to prepare for the Implementers' Conference

When? Every Tuesday from 9:30am-10:30am EST, regardless of whether standard or daylight saving time is being observed.

Who? OMRS planning committee and any interested OpenMRS community members.

For more information on how to join, visit [OMRS Planning Conference Call](#)

Documentation Team Meeting

- Introduce new members of the community
- Share information and best practices amongst implementation sites
- Present implementation activities

When? Every Tuesday, excluding holidays, from 9:00am-10:00am EDT, regardless of whether standard or daylight saving time is being observed

Who? Anyone can join!
