Be an OpenMRS Navigator!

OpenMRS Navigators help guide the future direction of OpenMRS by making suggestions for new features, reporting bugs, and voting for bugs and features. Navigators are recognized by name in each OpenMRS release for their contributions of helping make OpenMRS as useful as possible for people around the world.

3 Steps to Easy Voting:

1. Find an issue on the left for which you'd like to vote and click to view its details in JIRA, our issue tracker.
2. Check the upper-right of any JIRA page to ensure you're signed in.
3. Click the "Vote" link to cast your vote!
