

2017-01-17 Meeting notes

Date

17 Jan 2017

Attendees

- [Jeff Neiman](#)
- [Theresa Cullen](#)
- Mary Cropp

Notes: <https://notes.openmrs.org/omrs16-education>

Goals

- will postpone the meeting - posted to talk
- will post another date to see how to get the right people in the room
- reach out directly to identify people - suggested using Atlas as guide
- ask for confirmation that they will attend prior to doing a call
- job analysis people- ideally need 4/6 people who have actually implemented- may be able to do with three
- lessons learned from the sites
- update the email and indicate that we delayed and are tentatively rescheduling for next Wed at the same time
- update on the calendar for OpenMRS about the meeting
- need to delay tomorrow's job analysis - postpone this

Action items

- Postpone and re-schedule Education Meeting
- Re-send ask email with different wording
- Aggregate list of implementers from Atlas
