The time change reflects the change in Daylight Saving Time

OpenMRS University

- Teaching the community how to get started with OpenMRS development & implementation
- · How to work effectively in an open source community
- Tutorials on how to use OpenMRS
- Open Office Hours time for anyone to speak with experienced developers

Design Forum

- · Technical discussions on high priority development topics
- In-depth system design decisions
- Review of tickets or projects that need some design input before proceeding

Project Management Meeting

- · Ensure that weekly work activities are on schedule
- Discuss any project blockers
- Provide project status updates
- Discuss collaborations with other organizations

When? Time is available every Wednesday, excluding holidays, from 9: 00am-10:00am US/Eastern, regardless of whether standard or daylight saving time is being observed. University Calls are arranged when/if there is a topic or desired group of people wanting to use the space.

Who? Anyone can join!

For more information on how to join this meeting visit OpenMRS University
