Goals

- [Technical Road Map](#)
- Implementation Updates
- Daylight Saving Time

Discussion items

Item	Who	Notes
Reference Application 2.3	Tharunya Pati	<ul style="list-style-type: none">• test module will be released today• Wyclif believes the 2.3 release will happen today
Platform 1.12	Shruthi Dipali	<ul style="list-style-type: none">• Darius, Burke, Shruthi and Sathyan are trying to schedule a time to talk/Q&A about the release.
Platform 2.0	Mayank Sharma	<ul style="list-style-type: none">• managed to get 8 devs working on issues fo the Legacy UI module• Daniel will provide support this week since Wyclif will be at OMRS Camp• Will try to get tickets done this week but with OMRS Camp it may need to push into next week• Mayank wants to get more devs on this, has been posting on Talk but not getting a lot of feedback.• Mayank believes that there is a lack of communication to devs on what they can work on, a place to post items• make a post everyday on talk and twitter on what can be worked on• testing on Legacy UI is set for next week• alpha release is still set for mid-November• remove deprecated methods - 90% done daniel did merge and wyclif reviewed - Daniel finishing up this week
AOB		<ul style="list-style-type: none">• daylight saving time<ul style="list-style-type: none">• Wyclif, Daniel and Mayank are available 10-1pm ET• believe the PM call being an hour earlier would interfere with 10am scrum• Mayank would like feedback on Platform 2.0 FAQ and/or Guide for Module Developers - https://talk.openmrs.org/t/platform-2-0-faqs-guide-for-module-developers/3415/2• Mayank would like to talk about DCI on next weeks call.

Action items

- [Daniel Kayiwa](#) will provide support foe the Legacy UI module issues this week while Wyclif is at OpenMRS Camp
- Mayank Sharma will post on Talk (globally pin) and Twitter a "CALL TO ACTION" for more developer assistance on the Legacy UI issues - <https://issues.openmrs.org/secure/RapidBoard.jspa?rapidView=83>
