2020 Virtual Implementers' Conference

ABOUT THE EVENT

TBD

Objectives

TBD

Who Should Attend

- People new to OpenMRS who want to connect to others using the platform around the world.
- Experienced OpenMRS implementers who want to share their experiences and learn from others.
- OpenMRS platform developers – anyone building systems to integrate with or extend OpenMRS.
- Developers of related health and healthcare application software.
- Health practitioners, researchers and publishers.
- Any other implementor of OpenMRS and its distributions.
- You!

Why You Should Attend

This event provides an opportunity for developers to collaborate and improve their technical skills in OpenMRS, implementers to share their best practices from implementations, and users to propose and prioritize their top features in future releases of the software.
